Specific Weather Comments From www.masters.org

Year	Champion	County	To Par	Margin(Holes Played in Playoff)	Comments
2023	John Rahm	Spain	-12	4	The roar of Timber! briefly replaced the roar from eagles on Friday when 3 tall Geogia pine trees fell across the 17th tee box. Both the 2nd & 3rd rounds were suspended several times on Friday & Saturday. The 1.65 inches of rain on Friday set a record for the day & Saturday play set a record for the Coldest Max T with just 49° & rain. By Sunday the course dried out and the final round was played in cool, breezy conditions.
2022	Scottie Scheffler	United States	-10	3	The 2022 Masters was under the weather the whole week. The Par 3 Contest on Wednesday was stopped early due to severe storms. The opening round was the 3rd wettest. Saturday Max T. was the 4th Coolest & the Sunday low T. was the 2nd Coldest.. Wind east at times on the first 3 rounds were over 25mph.
2021	Hideki Matsuyama	Japan	-10	1	An almost perfect playing of The Masters this year. Hideki captures the first Masters Victory for Japan and the overall temperatures was +about 5° above average. Afternoon wind gust around the course only reached in the 20mph range..
2020	Dustin Johnson	United States	-20	5	The first Autumnal playing of The Masters due to Covid-19 was challenged by playing catch up after a Thurday 3 hour delay from morning darkness, rain & lightning. With a split tee format and brief fog delay on Sunday we were treated to a record scoring(-20) win by the #1 player in the world Dustin Johnson.
2019	Tiger Woods	United States	-13	1	The Tiger roars were out in one of the warmest Masters ever played. Max T. readings of 86 on Thursday Saturday and overnight temps over 67° Friday-Sunday led to sizzling final round that was only cooled by some isolated showers.
2018	Patrick Reed	United States	-15	1	The 34° morning low T. on Thursday morning was just a few degrees shy from the coldest start to The Masters where in 1996 it was 31°. By Sunday Eagles & Birdies soared in cool calm conditions and at one point 2 players had matched the course record of -9 for the day to only fall shy of it and the 2018 Masters Victory in the end.
2017	Sergio Garcia	Spain	-9	Playoff(1)	The 2017 Masters teed off with the first Par 3 contest cancellation due to severe weather without anyone finishing the 9 hole course. Thursday & Friday rounds were bluster/wind/aust over 30mph) and cool with thines calmine for the weekend rounds. The low of 35° on Saturday was the 4th coldest value for a Sat. round..
2016	Danny Willett	England	-5	3	The Weather narrative for this year is by far the wind that blew Thursday- Saturday. Reports of near a half inch of rain softened conditions for Round 1 but gusty winds from 30-40mph made scoring tough till Sunday
2015	Jordan Spieth	United States	-18	4	Almost perfect scoring conditions this year. The max. temp. on Thursday set a new opening round record when the high reached 91° and the moist air kept the course & greens soft and scoreable. On Friday some rumbles of thunder were heard in the evening as a cell passed just west of the course..
2014	Bubba Watson	United States	-8	3	This years consistention slaved in near perfect conditions with no rain!T. late on Sunday evening! and for the most part very little wind. The mean Max. T for the event was 80.5° and ranked as the 12th warmest for Max. T in the 78 year History.
2013	Adam Scott	Australia	-9	Playoff(2)	Tournament played under pretty average weather conditions.. Friday's rain/thunderstorm threat did not materialize. Saturday's rain/thunderstorm threat did not materialize. The event was played in a perfect rain event each day with over 1/4 inch of rain during these final hours of play.
2012	Bubba Watson	United States	-10	Playoff(2)	My first year in attendance at the Masters and I was able to watch the Tuesday practice round. The very warm March led to early bloom of the azaleas and although the grounds and greens were perfect there was a lack of flora in 2012.
2011	Charles Schwartzel	South Africa	-14	2	After overcoming a cold start on Thursday the max. temperature for all four days was above 80° for only the 3rd time in Masters History. Overall and the ave. of the max. temperature was only .5° off the all time record of 86.8° set in 1978. An area of foe developed early Sunday morning but burned off iust before final round sdw beean.
2010	Phil Mickelson	United States	-16	3	Day 1 Conditions were the most challenging for the players with winds gusting to 30mph from the South and threatening dark clouds overhead. Storms held off till the overnight and near 1/2 inch of rain cleansed the course.
2009	Angel Cabrera	Argentina	-12	Playoff(1)	The Rain that fell on Day 2 was in the overnight between round 2 and 3 and did not cause a delay
2008	Trevor Immelman	South Africa	-8	3	The first round was delayed one hour from 8:00 a.m. to 9:00 a.m. due to fog. The third round was suspended at 1:00 p.m. due to dangerous weather approaching the area. Play resumed at 1:45 p.m. Windy Sunday with gusts to 30 mph.
2007	Zach Johnson	United States	1	2	Sunny, but unseasonably cold with strong winds. On Saturday temperatures were in the mid-40s to low 50s with wind gusts up to 33 mph.
